Emeralds and Fire (The Tienimi Club Series) (Volume 1) Aurelia Fray

Don't ask me why I did it. It may have been the way my boss laughed at the prospect of me losing my job or it could have been the toothy sneers from the sharks in the admin pool. Either way, I took an invitation from his email and signed myself up for ten days in Hawaii at an exclusive members-only resort and told them my boss recommended me. And the best part? They believed me. Tienimi is everything I need right now. Exclusivity, pampering, companionship, intimacy, Tienimi offers it all. The Tienimi Club resort is the place to be for the super-rich and elite, only I am neither of those things. I am the personal assistant to a lecherous fool who only sees me when he is staring at my chest. I know I don't belong in a place like Tienimi. In a place where a person's every need is catered for, where your every desire can be made a reality. And then there's Chris. They assigned him to me. My perfect fit, they said. They were right. He is perfect, right down to those crazy little smiles he gives me when he thinks no one else is looking. I never intended to fall in love, but suddenly the thought of leaving Tienimi has torn my heart in two. How do you say goodbye when your heart is breaking?
