Fog of War Ethan Jones

When an Iranian nuclear scientist wants to defect, the Canadian Intelligence Service sends in its best agent, Justin Hall. After his mission is compromised and Justin barely escapes northern Iran with his life, he sets out to discover who has put him and the Service in grave danger. CIA information about a traitor in the Service sends Justin into violence-soaked Somalia, where he quickly becomes ensnared in a web of lies and deceit. He's left with no choice but to go rogue and form an alliance with Romanov, a sinister Russian oil baron. Cut off from the Service, Justin is forced to navigate through ever-shifting alliances and survive deep inside a Yemeni terrorist stronghold. All the while, he's being hunted by a traitor. This tour-de-force spy thriller is the hottest page-turner of the summer. New and old fans alike will love this new suspenseful novel in the Justin Hall series. The bonus content includes the first four chapters of *DOUBLE AGENTS*, the fourth book in the Justin Hall series, which is expected to come out this winter.
