Merging Across Borders: People, Cultures and Politics

Merging Across Borders: People, Cultures and Politics

"Merging across Borders' offers insight into social, cultural, communicative and political dynamics in complex organizational change processes following mergers and acquisitions; dynamics which have often been neglected in previous research. The book is written by a Nordic research team, and it is based on their extensive field study of a series of cross-border mergers and acquisitions leading to the creation of Nordea, the largest Nordic financial services group today."
