Patrick Ness

More Than This Patrick Ness

From two-time Carnegie Medal winner Patrick Ness comes an enthralling and provocative new novel chronicling the life — or perhaps afterlife — of a teen trapped in a crumbling, abandoned world.

A boy named Seth drowns, desperate and alone in his final moments, losing his life as the pounding sea claims him. But then he wakes. He is naked, thirsty, starving. But alive. How is that possible? He *remembers* dying, his bones breaking, his skull dashed upon the rocks. So how is he here? And where is this place? It looks like the suburban English town where he lived as a child, before an unthinkable tragedy happened and his family moved to America. But the neighborhood around his old house is overgrown, covered in dust, and completely abandoned. What's going on? And why is it that whenever he closes his eyes, he falls prey to vivid, agonizing memories that seem more real than the world around him? Seth begins a search for answers, hoping that he might not be alone, that this might not be the hell he fears it to be, that there might be more than just this. . . .

From reader reviews:

Gregory Howard:

Here thing why that More Than This are different and trusted to be yours. First of all examining a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. More Than This giving you information deeper and different ways, you can find any e-book out there but there is no reserve that similar with More Than This. It gives you thrill reading through journey, its open up your eyes about the thing this happened in the world which is possibly can be happened around you. You can easily bring everywhere like in park, café, or even in your means home by train. For anyone who is having difficulties in bringing the branded book maybe the form of More Than This in e-book can be your substitute.

David Simpson:

Reading can called brain hangout, why? Because if you are reading a book specifically book entitled More Than This your brain will drift away trough every dimension, wandering in each aspect that maybe not known for but surely can become your mind friends. Imaging every single word written in a book then become one form conclusion and explanation which maybe you never get prior to. The More Than This giving you an additional experience more than blown away your mind but also giving you useful data for your better life on this era. So now let us demonstrate the relaxing pattern here is your body and mind will probably be pleased when you are finished examining it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Omar Carter:

Many people spending their period by playing outside having friends, fun activity having family or just watching TV the whole day. You can have new activity to pay your whole day by reading a book. Ugh, you think reading a book will surely hard because you have to use the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like More Than This which is keeping the e-book version. So , try out this book? Let's observe.

Wilbert Westerfield:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this More Than This can make you truly feel more interested to read.
