This book is special. There are things within its pages that nobody else in the world knows that will benefit you greatly.

I died, I went to Heaven, and then I came back. I believe this was the most advanced life after death experience ever reported. I saw people talking to relatives and friends in the greeting pavilion. I observed dozens of Archangels walking towards me, singing praises to God; they had the most beautiful faces and voices imaginable.

The first two Archangels walked right up to me and started telling me the most wonderful things anyone had ever said to me. Then they began to instruct me in great detail of God's perfect plan. Countless secrets from Heaven were revealed to me during our lengthy discussion, including simple techniques people can use to have greater power and love in their lives.

Next, Jesus appeared before me. I was overwhelmed; all I could do was give a tearful hug of joy, while He spoke words of encouragement, friendship, and love to me. I felt like I was home for the very first time. Then He took my hand and we entered into Heaven together.

Jesus showed me many wonders in Heaven that night, while continually instructing me, and patiently answering all of my questions, thus completing my education. Then he took me to Judgment Day, which was the best time of my life.
