This fifth edition gives actors fresh research from today's experience, new lists of Canada-wide contacts, and input from success stories. It speaks to a new generation of artists, giving them an up-to-date guide to the business of acting.

The book addresses a range of new issues: performer websites, video self-production, and sending rmand networking on the Internet. It also takes a fresh look at old ones: agents, self-promotion, and work opportunities for women and minorities.
