## The Ferrari Book

"One must first imagine a car," stated Enzo Ferrari. Nobody creates pictures worthy of the Commendatore's imagination quite like Gunther Raupp. Not just a random flood of images, this internationally renowned automotive photographer's artworks capture the seductive essence of these status symbols from Maranello-- maintaining the legendary Ferrari luster. Since 1984, Raupp has been the exclusive photographer for its official calendars-- now collectible cult objects. Recently, a major exhibition in the World Cultural Heritage Site of the Volklingen Ironworks was dedicated to his photographs, their almost surreal effects and striking use of backlighting. In 2008 teNeues published Raupp's successful *Ferrari, 25 Years of Calendar Images*. With *The Ferrari Book* Gunther Raupp adds an exciting, exclusive collector's item to our line of high quality car books. English/German/Italian/French/Chinese edition.
