These are more visible now, and they are spectacular. Those shown on the cover and the interior of the book are filled with the pure love and healing that the angels and Divinity are known for. She has also included some of the Divine poetry she has written on spirit pets, a golden eagle and love that has lasted more than three million years. And she has explained Divine soul plans which are created before our birth and the existence of the angels and Divinity that exist for all. The angels and Divinity are with her at all times, the experiences she has written about includes a holiday with the archangels in Amsterdam, Holland where they visited the beautiful Keukenhof gardens in Lisse. When on holiday with the archangels in South Africa she took the photographs of the animals which she used in order to illustrate some of the power animals/animal spirit guides she had written about. She has also written about her horse Lady blue and the archangels in Table View and Rietvlei in Cape Town, South Africa. Since birth Cynthia Angela Soal was guided by Seraphim/Archangels Michael, Gabriel, Uriel and Raphael. They have now led her to the knowledge that she is one of God's highest angels along with them, a seraphim angel and an angel of Atlantis. Seraphim angels are often called archangels when working on Earth. She is able to see Universal energies which show the most amazing metaphysical, mystical and Divine elements of life that are hidden from many until they decide to use their natural gifts of seeing once more. She can connect to them by hearing, seeing and feeling these energies which form visions, pictures, symbols and emotions to relay messages to her. She is also capable of seeing these energies on TV, in video clips and in photographs, or receiving them by listening to sound of voice or any other sound. This includes seeing and talking to power animals/animal spirit guides, fairies, dolphins, unicorns, dragons, animals, birds, marine life and plant spirits.
