Chasing the Sun: Provincetown, Book 2 Jacob Z. Flores

As a physician and prominent citizen of Victoria, Texas, Dr. Gil Kelly took a hard fall when his vengeful wife revealed his infidelity with other men. Closing ranks around her, the town's elite ostracized him, and his relationship with his children was nearly destroyed.

After spending his life focused on living for others, he has no idea how to live for himself. He wants to find love but now settles for anonymous sex that only further clouds his world with shame and guilt. Gil believes finding true love is an unobtainable dream, what his father used to call "chasing the sun."

Then he runs into Tom Martinez, his son's childhood best friend, who returned to town a grown man and offers everything Gil needs. But Gil hesitates to fall into Tom's arms, because after his high-profile divorce, the potential scandal of loving a younger man could separate him from his children permanently.
