Overcoming Obstacles Charles E Holland

Over the years, I have often wondered what I wanted to do with my life. To be honest with you, I am still not sure. I know that I am dedicating my life to being a world changer. I want to be a solution and not a problem. In an attempt to advance the lives of children in single parent households, I decided to write this book. This book is about two young men who grew up in single parent households, but had totally different outcomes in life. A persons absence is God's presence as he constructs your future. Charles E.
