Red Glove [CURSE WORKERS #02 RED GLOVE] [Hardcover] Holly~(Author) Black

The cons get craftier and the stakes rise ever higher in the riveting sequel to *White Cat*. After rescuing his brothers from Zacharov's retribution, Cassel is trying to reestablish some kind of normalcy in his life. That was never going to be easy for someone from a worker family that's tied to one of the big crime families-and whose mother's cons get more reckless by the day. But Cassel is coming to terms with what it means to be a worker, and he's figuring out how to have friends. Except normal doesn't last very long. Soon Cassel is being courted by both sides of the law and is forced to confront his past-a past he remembers only in scattered fragments, and one that could destroy his family and his future. Cassel will have to decide whose side he wants to be on, because neutrality is not an option. And then he will have to pull off his biggest con ever to survive
