New Jersey, The Garden State, has been the butt of more jokes than blonds, Joey Buttafuoco and the chicken crossing the road combined. Having said that, if you are living in or traveling through the Manhattan metropolitan region, New Jersey may well end up on your itinerary, particularly the western Gateway section of the state. So be prepared, be STREETWISE®.

The Gateway Region, west of Manhattan, continues the urban density of the metropolitan area. The turnpike and expressways may be efficient for traffic, but offer little in terms of visual enticement. Elsewhere, New Jersey has great charm and beauty. Head a course south of Gateway, and you will find the Shore Region with surf fishing, boating, and an abundance of water sports. Continuing south, Greater Atlantic City, with its afternoon sun and evening glitter, is a place that is always turned on. The major attraction here is gambling which is easy to locate on the Atlantic City inset map.

The Southern Shore Region nestled between the Delaware Bay and the Atlantic Ocean is the perfect place for boardwalk strolls and romantic walks through the old streets of picturesque towns Cape May, Wildwood, and Ocean City.

Northwest of the Gateway is the Delaware River Region, where Colonial homes, famous battle sites and beautiful scenery come together to make for a rewarding trip. Heading further northwest you'll reach the Skylands Region where visitors can expect to see bald eagles, historic villages and romantic B&B's.
