Cadence (The American Anthem Series #2) B. J. Hoff

Cadence reunites us with Andrew Carmichael, an inner city physician, and his partner in practice, Bethany Cole, one of the first female physicians in America, who share a desire to serve the poor with their healing skills and with love. As the story continues, they discover that they share more than a professional passion--they share a love for each other.

Set in late nineteenth century New York City and the surrounding Hudson River Valley, and incorporating the beginnings of American gospel music, *Cadence* continues the saga of the courageous immigrants who helped build our nation, the struggles they endured, and the music they created, lived and loved by.
