Cows for Kids, Cow Fun and Facts, is a fun filled learning experience about cattle. It's chock-full of beautiful photos of various breeds, colors, sizes, and ages of cattle. It's fun because you can tell what the cows are thinking! They have quite a sense of humor. It's educational as facts are interspersed with the fun. Dairy cows are featured with actual photos of cows lining up to get milked and the actual milking operation. It is udderly fascinating and educational! Since calves are so cute, there is an abundance of pictures of calves ranging from newborn to several weeks old. You'll learn what it takes for a newborn calf to be healthy. You will also get to see young people grooming and preparing their animals for show. These 4-H and FFA youngsters are learning what it takes to care for and even breed cattle. When show time comes you can see the results. The last section of this book shows how Werkoven Dairy and Qualco Energy have teamed up to provide an environmentally friendly farm that uses the manure to benefit farmers, fishermen, and families. "This book is a great learning tool." — Qualco Energy Board of directors For added enjoyment, a fun quiz is at the end of the book. Be careful, there may be some trick questions.
