Creating Blue Space Fostering Innovative Support Practices for People with Developmental Disabilities
Hanns Meissner has emerged from years of 'formation' at The Arc of Rensselaer County in Eastern New York State with lessons learned from a journey of individualizing supports. His agency's story is one of relentless commitment of creating enough blue space for innovative ways to support and partner with individuals with developmental disabilities to form and flourish in spite of system constraints. Read, reflect, and learn about "bushwhacking" through the bureaucratic wilderness so you too can create blue space for innovation and citizenship for all to blossom.
