Cythera Jo Graham

Cythera is a sacred courtesan, one of the fabulous Adepts of Menaechmi, famed through the Nine Worlds for their opulent beauty and decadence. However, when a fragile peace treaty hangs in the balance, the power to stop an interstellar war suddenly rests with her - a mission for which she is unprepared and unqualified. If she is to save thousands of lives, Cythera must not only rely on her wits and sensuality, but on a man she never thought she'd see again who has haunted her dreams for seven years. Athain Kinslayer is a captain in the Calpurnian navy, a star voyager who has given up on personal happiness in pursuit of his duty. His job is to stop a war. The last thing he expects is to have to rely on a sacred courtesan, a woman with whom he spent one unforgettable night seven years ago and has never been able to forget. Together they must undertake a dangerous journey, face unexpected enemies, and delve into the deep and sensual waters of the most hidden rites in order to save their worlds - and find each other.
