(Sacred Folio). There is music inside all of us ... especially children! Teaching children to make their own music on a keyboard (and to find joy in it) is what "Music in Me" is all about. Each book in this unique series is designed to help students understand both musical and Biblical concepts at the same time. Early exposure to music theory (especially harmony and ear training) plus an understanding of how music "works" will provide today's children with a strong foundation for becoming tomorrow's church musicians. Level Four covers: rhythm, melody, harmony, keys, notation, ear training, scriptures and more!
