He's the stereotypical fighter- 100 percent alpha male. The kind of guy a girl should avoid at all costs. When he's hired to privately train me, avoiding him isn't an option. Most girls would love to drop their panties, even if it is just to catch a glimpse of his dimpled smile. I won't fall victim to his charm. That's what I tell myself at least, though it's torture when my mind's at war with my body. Something about the tattooed bad boy draws me in. It isn't just the broad shoulders, piercing eyes, and muscular frame that has me entranced. Luke Ryann has a secret. And I plan to find out what it is.

**This book is part of a three book series that should be read in order.*

Recommended for mature audiences due to language, violence and sexual situations.
