This guide by Marc C. Marchese of King's College is automatically packaged free with each new student text, and includes a range of chapter-specific activities and exercises that reinforce what students read in PSYCHOLOGY APPLIED TO WORK. For each chapter of the main text, the Study Guide offers: an outline of key terms and concepts, relevant websites, three exercises that give students practice in applying concepts from the chapter, ten multiple choice questions, three short answer questions, several true/false questions, and an answer key. Also included are Concept Charts that take the major ideas in the chapter and present them in a concrete way. The three exercises are designed for use as in-class activities or homework assignments, and suggestions for incorporating them into a lesson plan are presented in the Instructor's Manual.
