First Comes Love: A Chronicles of Moxie Novel Z.B. Heller

“So I met this guy. Miles Dane is the trifecta of awesomeness: he’s hot, built, and amazing in bed. The best part of it all is that he loves me. Did I mention I puked all over him when we first met? No? Well, that’s a different story. Things have finally settled down for us. We are disgustingly in love and, let’s face it, the cutest couple on earth. Dillion, Miles’ son, is smarter than ever, and my two best friends, Renee and Ryan, will get drunk with me at a moment’s notice. Oh, my stepmonster is still flipping nuts, but what else is new? Miles is there for me through it all. But what if our love isn’t enough to face the bumpy, pothole-infested, curvy, roadkill-riddled road ahead? Sometimes life isn’t all daises and unicorn farts. Miles and I are facing great challenges as a couple. As the saying goes, first comes love, then comes... You get the point. Can therapy and a dose of sanity help me with what’s coming next? That’s a joke, right?”

This book is intended for +18 due to hot sex, snarky female lead and a dirty talking stud muffin.
