NOSTRADAMUS

Who was this man really ? Should we not ask ourselves from where he drew such knowledge, a knowledge of events hundreds of years before they took, are taking and will take place ?

Is it possible that he was privileged and, perhaps chosen to provide mankind with the knowledge of what to expect?

Could it be, that the pattern of events is pre-determined by Divine Power, shaping the destiny not only of the world but of all human beings? Or do we, rather decide our own future and create our own destiny ???
