Antonio Garci

Pendejadas celebres en la historia de Mexico (Spanish Edition) Antonio Garci

No están todas las que son pero sí las más célebres. Antonio Garci se suma a los festejos del Bicentenario con un libro optimista y testimonial donde aclara que no hay devaluación, político en campaña o líder magisterial a los que no sobrevivan los mexicanos. Un viaje a los anales (sin albur) de la historia de México donde los errores humanos (o pendejadas, en términos menos políticamente correctos) superan la imaginación de cualquier caricaturista o escritor de ficción. Otros títulos publicados por el autor: En su autobiografía no autorizada se destaca que Antonio Garci nació en la ciudad de México aunque hay versiones de que en realidad no nació sino que lo inventaron para evadir impuestos. Estudió Comunicación Gráfica e Historia del Arte en la UNAM, especializándose en Historia de Mi arte, en particular en la técnica de falsificación de las firmas de autores famosos. Su experiencia como historiador de pendejadas mexicanas proviene de su actividad como caricaturista, en la que posee una trayectoria ya de más de 20 años. Como guionista ha participado en diversos proyectos de comedia y en las películas de dibujos animados La leyenda de la Nahuala y Nicté. Ha publicado los libros Sex Zoo, Historias infames, El huevo y quien lo puso, Por qué las mujeres aman a los pendejos y Etiqueta para pendejos. En la actualidad está trabajando en la Enciclopedia de las pendejadas, obra donde desde luego aparecen todos sus libros anteriores.
