Taming the Lone Wolff (Men of Wolff Mountain) Janice Maynard

A Wolff in Protector's Clothing

Protecting people for a living is one thing. But wealthy security expert Larkin Wolff wants no such responsibility in his personal life. Emotional involvement with clients is strictly forbidden. Only, he's never had a client like Winnie Bellamy. The waiflike heiress is a beguiling blend of innocence and sexuality. Larkin knows the dangers of getting too emotionally involved, but when Winnie obviously needs him—personally *and* professionally—how can he say no? The vulnerable beauty makes him long for what he can't have. And suddenly Larkin's ready to break all his own rules.
