The Beard Michael Bunker

What does the Bible have to say about the Beard? Is it just a matter of opinion? Author, teacher, and historian Michael Bunker wanted to know, so over many years he studied everything he could find on the topic, even reading through copious volumes of ancient commentaries and writings by early Christians. Having written on the topic a few times over the years, Michael commonly receives questions from people from all over the world, and from many different faiths and backgrounds, and, unable to find any books or tracts that dealt with the issue from a Biblical perspective, Michael decided to make this tract available in print form. This 72 page booklet examines the topic, examining the scriptures, types and shadows of sin and righteousness, historical evidence and practices, and the writings of many different people throughout history. It is offered for the benefit of anyone who seeks a deeper and more Biblical understanding of the topic.
