## The Complete Tiger Girl - Pt 3: All Her Adventures From Fight Comics and Jungle Comics in 5 Volumes - All Stories - No Ads Fiction House

“She was a jungle legend...shadowy, elusive, lovely...and as softly dangerous as the brace of killer Bengal Tigers that padded at her side!” TIGER GIRL – To some just another scantily clad and seductive blond queen of the jungle – but she was a lot more, because she was less clad, more seductive, and more dangerous than her counterparts. She had the loyalty of her tigers, the strength of her Tiger Ring, and her amazing wit and cunning. TIGER GIRL enjoyed a long run in FIGHT COMICS, and finished it off in JUNGLE COMICS – and we have all her stories right here in a great 5-volume collection! You can also find these stories in CLASSIC COMICS LIBRARY #214 & #215, if you would prefer them all on two giant books! RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time! If you send us your contact/delivery information, as a book is updated, you will receive a revised version free of charge!
