This is the story of a 26-year-old girl who left her old life with a steady job and boyfriend behind in order to travel through Southeast Asia completely on her own. Over the course of the next year and thousands of miles, hundreds of new beginnings and new friendships, she found that more than traveling the world outside, she traveled the world within. This book is a collection of excerpts from her diary and blog during that time in which she found that traveling alone made all the difference in the world.
