The official guide to the 107 miles of the Appalachian Trail that bisect Shenandoah National Park (the route of Skyline Drive, renowned for fall drives, was the original route of the A.T.). This book includes background information and trail-route descriptions in both directions for the A.T., as well as descriptions for about 400 miles of popular side trails in the park, which are located roughly between Front Royal and Waynesboro, Va., about one hour from Washington, D.C.
