Commentary Critical and Explanatory on the Whole Bible

Robert Jamieson, A.R. Fausset, David Brown

Commentary Critical and Explanatory on the Whole Bible Robert Jamieson, A.R. Fausset, David Brown NEW VERSION (MAY 2011) has linked TOC, easy nav points (left and right go book-to-book), and a full index that lets you jump to any verse easily! (See below.)

The Jamieson, Fausset, and Brown commentary on the Bible is a thoroughly conservative and evangelical work, first published in 1871. While detailed, the book is not overly technical, and is accessible to all those who are interested in studying the Bible more deeply.

Charles Spurgeon's endorsement for this Commentary: "Of this I have a very high opinion. It is the joint work of Dr. Jamieson, A. R. Fausset, and Dr. David Brown. It is to some extent a compilation and condensation of other men's thoughts, but it is sufficiently original to claim a place in every minister's library: indeed it contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed this and used it diligently."

This version includes a full index (akin to the Kindle versio of the ESV Study Bible and OSNOVA's Direct Verse Jump 2) that allows you to jump quickly to commentary on any verse of the Bible. To do this, go to the Menu, choose Index, then start typing a verse reference using the abbreviated book name, a space, the chapter, another space, and then the verse. (For example, "Joh 3 16" will take you to the commentary for John 3:16.)
