Album blocks of wreaths and paper cut designs take on a whole new appearance when used with chintz and large scale floral fabrics for both the applique and the background. 36 block patterns. Instructions given for several different dimensional leaves, buds, and flowers. **AUTHORBIO:** A professional quilt teacher since 1990, Faye has taught at major quilt conferences. Her specialities are Baltimore album applique, Hawaiian quilting, and dimensional French ribbon flowers. After being introduced to French ribbon work in Elly Sienkiewicz's "Dimensional Applique", Faye began intensely working with this new material. "I enjoy the freedom of creativity and spontaneity that the French ribbon flower technique provides," Faye says.

**REVIEW:** Over forty beautiful album block designs showcase floral fabric backgrounds embellished with three-dimensional flowers and buds in a garden applique guide which will appeal to all levels, but especially those with some quilting experience. Full-page applique patterns blend with color photos of finished quilts in this basic guide.
