Innovation in India: Combining Economic Growth with Inclusive Development

It has been a little more than sixty years since the foundations of India's national system of innovation were laid, and it is time to look back and examine what form it has taken. What are the achievements of the Indian system of innovation? How has it performed in terms of building industrial capabilities and promoting development? Using the 'National System of Innovation' and the 'Sectoral System of Innovation' approach, this book organizes historical evidence on the accumulation of scientific, technical, innovation and industrial capabilities in different industrial sectors. It is also useful to keep in mind that according to the sectoral tales of this book, irrespective of the policy, there will always be some individuals and organisations who will experiment to find creative ways of pursuing opportunities.
