"Joann Ross creates captivating stories about the choices and chances that come once in every woman's life. But what happens when a woman discovers her life may be a legacy of lies...?" From a childhood nurtured by unconditional family love to her stunning triumph as one of Hollywood's leading fashion designers, Alexandra Lyons has always been spirited and independent. But everything she believes about herself is thrown into question when she meets Eleanor Lord. The powerful matriarch is convinced that Alexandra is Anna Lord, her long-lost granddaughter and heir to a family dynasty. Has Alexandra's life been a lie? Is she really Anna Lord--or the victim of an even darker hoax? The truth lies buried in the past, in a dark explosion of jealousy, betrayal and murder, and remains as deadly now as it was nearly thirty years ago.
