The Bride Wore Latex: METALCORE PNR ROMANCE (13 Shades of Red Novel) S.A. Price, Stella and Audra Price, Stella Price, Audra Price
book 2.5 in the 13 Shades of Red series.

This story takes place in the space between the last chapter of the book THIS IS FOREVER and the Epilogue. It is in no way a stand alone, so we urge you to not read this until you have read the other books in the series, or this will not make any sense, and just seem like erotica. It is not.

If you have just stumbled across this story, (possibly because you liked the name of the book or the cover photo) the series, 13 Shades of Red starts with the prequel story You Burn Me, goes to Giving up the Ghost, followed by The Serendipity of Karma, and then This is Forever. It should be read in order.

We hope you enjoy this extra, and that you stick with us for book #3 in the series, Make Damn Sure, (may 6th)

Series in order:

You Burn Me (Bridge Book, spans two series, introduces the band)

Giving Up The Ghost (#1)

The Serendipity of Karma (#1.5)

This is Forever (#2)

The Bride Wore Latex (#2.5)

Make Damn Sure (May 6th) (#3)

The Self Importance of Lesser Beings (may 6th) (#3.5)
