Chances are that just under a nearby rock, you'll spot a roly-poly pill bug. Encourage a child to take a close look, and introduce a fascinating creature. Gently pick it up and watch as it rolls into a ball and unrolls to take a walk. This cousin to lobsters and crabs sheds its crusty skin and will tickle your hand with its 14 (count 'em!) wiggly legs. Awaken a sense of wonder in a child with the Next Time You See series from NSTA Kids. The books will inspire elementary-age children to experience the enchantment of everyday phenomena, such as pill bugs, fireflies, seashells, and sunsets. Free supplementary activities are available on the NSTA website. Especially designed to be experienced with an adult—be it a parent, teacher, or friend—Next Time You See books serve as a reminder that you don't have to look far to find something remarkable in nature.
