## **Professional Golf 2015: The Complete Media, Fan and Fantasy Guide** Daniel Wexler

Professional Golf 2015 provides a complete overview of men's professional golf, covering every major tour worldwide, numerous developmental circuits, and more than 600 of the game's top players. The volume is divided into three sections, with the first providing a comprehensive overview of the 2014 season, including extensive tournament records from each of the major tours and summaries of multiple developmental circuits. The second section previews the 2015 season in detail, with specific attention paid to profiling new players and events on the PGA and European PGA Tours, as well as providing our exclusive lists of the world's top 50 players, top 100 under-24 prospects and top 25 players poised for breakout seasons. And finally, the third section profiles roughly 600 of the game's top players individually, providing career perspective, records of tournaments won worldwide (both professional and amateur) and year-by-year results in Major championships, seasonal money lists and the year-end Official World Ranking. Also included are individual player ratings in key statistical categories, as well as our forecast for each player's performance level in 2015. The only source of such information on a worldwide basis, Professional Golf 2015 is the ideal volume for fans, media and fantasy game players alike.
