Am I Going to Die? (From the Books Beyond Words series) Sheila Hollins, Irene Tuffrey-Wijne

John is terminally ill. His story deals honestly and movingly with both the physical deterioration and emotional aspects involved with dying. As he gets weaker John looks back at his life, and chooses how to spend his remaining time. He dies at home among family and friends.

-Covers the importance of going on special outings, remembering good times, and saying proper goodbyes to family and friends.

-Includes advice for supporters and healthcare professionals as text at the back. Plus, lists other helpful written resources and organisations.

'The excellent Books Beyond Words series encourages client empowerment in a dynamic way.'

- British Journal of Learning Disabilities

What are Books Beyond Words?

Few picture books are available for adults and adolescents who cannot read or who have difficulty reading. Fewer still provide information and address the emotional aspects of difficult events like the Books Beyond Words series. Each specially commissioned book actively addresses the problems of understanding that people with learning and communication difficulties experience.

The stories are told through colour pictures that include mime and body language, to communicate simple, explicit messages. These help 'readers' to cope with emotions and events such as going to the doctor, bereavement, sexual abuse and depression.

People with learning disabilities trial every single picture before publication to ensure they can be readily understood.

Supporting text and guidelines are given at the back of each book.

The authors are all experts in their fields.

Lists of resources and helpful organisations are provided where appropriate.

'This series has established the highest reputation for tackling complex and difficult issues, clearly, compassionately and with considerable skill.'

- Viewpoint (Mencap)

'Books Beyond Words offer a useful resource for prompting discussion on a variety of issues.' -
Communication

Who should use Books Beyond Words?

Books Beyond Words can be used by:

Anyone who understands pictures better than words.

People with learning or communication difficulties.

People with literacy problems.

People for whom English is a second language when an interpreter is not available.

Anyone who speaks a different language.

Relatives, friends, supporters and advocates.

Teachers, social workers, health and legal professionals, police officers.

'These books are powerful interpretive tools for anyone who works with people with developmental disabilities'

- Developmental Medicine and Child Neurology

'The acid test for these publications has to be whether or not one would find them useful in clinical practice... my own answer would be an unequivocal 'Yes'.

- Journal of Intellectual Disability Research
