Implante (Spanish Edition) Liliana Marchesi

El segundo capítulo de una Saga Distópica, construida sobre la creencia de que el hombre conoce y utiliza solamente una mínima parte de la capacidad del cerebro.

Una Saga en la que el corazón y la mente se encontrarán en un escenario de trastornos, placeres, complots y actos extremos. Una historia que trastornará tu mente.

Después de haber sido atrapada en una vida que creía suya, Kendall se encuentra inmersa en un mundo completamente diverso de lo que era hasta aquel momento. Y justo cuando estaba a punto de descubrir el origen de lo que la liga a Trevor, el Líder de los Huérfanos, una sucesión de eventos imprevistos la obligan a separarse de él.

Kendall ahora está en las manos de Axel, que más que otra cosa, desea buscar en sus recuerdos perdidos para poseer la información que desesperadamente anhela.

Pero ¿Cómo la convencerá para colaborar?

¿Qué efecto tendrá la Raíz en ella?

¿Los días que transcurrirá en la sede de La Mente comprometerán la opinión que se había hecho de los Huérfanos?

¿O hará lo posible por encontrar el modo de volver al Mausoleo de Trevor?
