Excerpt from Sketches of Church History: Comprising a Regular Series of the Most Important and Interesting Events in the History of the Church, From the Birth of Christ to the Nineteenth Century

The idea has too generally prevailed, that church history belongs only to theologians, and that it could be neither important nor interesting to the common reader. Hence there is perhaps no branch of knowledge, of which the mass of people are more ignorant, than the history of the Church of Christ in the world. Most of our church histories are too voluminous for the generality of readers: and this is one reason, perhaps, why the subject has been so much neglected.

Few branches of study would be found more interesting as an amusement; certainly none, fuller of affecting and important incident. Even the lover of romantic subjects would find many events recorded in the history of the Church, of quite as powerful interest, as any of the dreams of fiction.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
