Jenzy: I love my husband, but he doesn't see me anymore. We were college sweethearts and for seven years I've been his wife. Five of those years were bliss; the last two have been a long fall from grace. He's the love of my life, the sexy and smart man I saw my future with, but now I don't think he sees it too. I'm tired of not being seen, I'm tired of not being heard, and I'm tired of being in love alone. I was his optimistic hippie girl that he couldn't get enough of. Now I'm just his annoyance. So I told him, I finally found the backbone and this is our story.... Chris: My wife just told me she wants a divorce. What the hell do I say to that? I thought we were fine-, well fine is a bad word, I thought we were okay. Doesn't matter what I think because she's moving out and I can't really let this happen. Yeah, she annoys me, we're total opposites, but I knew that when I met her, she hasn't changed...maybe I have? I was her anchor, her safety, her home. Now I'm that guy that's wrecked her and there are plenty of men willing to repair the damage I did. So I have a plan. Find out what happened to change my affection for her within the last two years, and win her back before someone else does, because I still love her, and she still loves me....I guess....
