What appears to be a fortuitous meeting with Harvey Burgess, Alison Grey (Alli) begins a relationship with him that will not only open the door to her emotions, but will unravel the very being of her own existence. As Harvey's seemingly innocent approach in her life becomes even clearer, she aids him in his own detective work to track down a deranged and merciless serial killer, a man that shows little remorse as he continues his quest for brutality. Andrew Harding delivers a compelling and seductive tale in his novel 'The Hybrid Series: Split Decision', engrossing the mind with a world of eroticism and the hunt for a man that will stop at nothing to avenge his own demons that have haunted him throughout his childhood and along with Alli's psychic ability to track the killer down, lead to a compelling climax.
