Have you ever wondered what heaven will really be like? This is the answer as close as any human can come-because it's in God's Word-The Holy Bible!

This book is a compilation of several individuals envisions of what their home in eternity will look like. The Bible says that human eyes have not seen, nor ears heard, nor entered into the hearts of man, what God has prepared for those who love Him. I have asked people from all walks of life, who have faith in God, in salvation through Jesus, and in eternity with God, to tell me, in their own words, what they imagine their personal "Dwelling Place" will be like for them! I believe that when God created us, He gave us an unlimited imagination. Their story may be humorous, serious, combined, seem like fantasy or whatever. We and our visions are not limited by the restraints of society. God has an unlimited and infinite imagination. We know that from the boundless beauty and diversity of creation. He gave us a portion of that imagination to use. We use it for various forms of art, science, and creativity. King Solomon says, "As a man thinks, so he is." Let us think with imagination and positiveness!

I imagined this book to be a wonderful story of how we can all get together and show the world that God, in His wisdom, gave us different ideas about His Word and how we can share in a common vision that is as varied as the sands of the seas, and the stars in the heavens that we will one day occupy!

It is my prayer that you will truly allow your own imagination to 'run wild' and see that to taste heaven is truly awesome! To taste and see that the Lord is good! We can only imagine!
