Hello Ladies! Are you curious about BDSM??? Think it might be exciting to break out of your sexual boundaries and play a little more?? Think your partner might secretly dream about being at your mercy while you Dominate him for the evening? Does the idea of adding some real "Spice" to your sex life turn you on? GREAT!! ME TOO!!! So lets get going and get you in control!!

I'm Mary, and I love Kinky BDSM play with my husband!! I am a mature woman living in a nice college town in the good ol' "USA". I'm just as ordinary as you are, and you would never guess the naughty ways my husband and I play! My husband has a job where he wears a suite and tie all day, and we have been together for over 12 yrs. We are committed to be honest, open, and ready for all the fun life has for us, both in and out of the bedroom.. This has lead us to explore BDSM in a fun way, and it has added a lot of pleasure to our lives.. It's not our everyday lifestyle, but it is something we have to enjoy and bring us closer together. YOU CAN HAVE A GREAT NEW SEX LIFE! Make Him Your Slave! (maybe next week it will be your turn!)

I want you to know that whoever you are.. You can LOVE to play sexy BDSM games with your man! You can be the Dominatrix he fantasizes about! He will worship you, and do whatever you want to please you, and it's simpler than you think!

Are you curious about BDSM Dominant Submissive Play for you and your man but just don't know where to learn about it, what to read, and how to get started? Then this introductory guide is just what you need to begin your quest for the most fun sex life you can imagine, but outside the bedroom I want you and your partner to have the best life you can experience!

BDSM is a huge world, filled with naughty games, secret pleasures, and release of inner desires. Through BDSM and Dominant Submissive play, you and your partner can become closer in all ways!

This guide is just for the ladies! It will intrigue and inform you, and spark your inner Mistress to come out and play!

It's not a huge encyclopedia of terms and techniques, but rather a fun intro to learning how to get started in this vast playground for adults seeking a little flavor in their sex life together.. People who don't play with BDSM are called "Vanilla" in the BDSM Community, because they stick with only the most standard and (eventually boring) kinds of sexual activities with their mates. Sexy talk and "scenes" are usually very limited, and we get "stuck" in sexual and sensual patterns that work at first, but eventually become mechanical and shallow.. As newness wears off, and familiarity sets in, we can drift apart and often wind up breaking up just because we didn't get out there and really share in the adventure and exciting possibilities together.. This booklet is for those Ladies who choose to explore a new World of fun, and take control of their sex life!

Enjoy! Soon you will be Mistress! and he will be your man slave!! This book contains ADULT CONTENT..  
To be purchased and read by those over 18 only.
