A Terrible Beauty is Born Jonathon Owens

Easter, 1916. It could have been just another rising. Another desperate battle of Irish tenacity versus British Imperial strength. Every thirty years another generation tried, fought and died for their island.

Many expected the same again as the tricolour was raised over the Post Office in central Dublin. But this rising would not be the same. Something was put in motion under those rain-heavy clouds that was destined to gather more momentum than any previous effort for centuries. They may not have known it, but Ireland's freedom was closer than ever.

For Timothy Doyle his own war too is about to begin. Against his family's past, against his own convictions. But always for Ireland.

Across the barricades, James Bryan is fighting a past haunted by the Western Front. An Englishman sent to Ireland, to fight in a war he did not understand.

The Republic had been declared. A Terrible Beauty is Born.
