When Jenny's best friend Sally convinced her to join her at a beach party to celebrate their High School Graduation, she didn't expect things to get as crazy as they did. She never thought she'd muster the courage to enter the infamous 'Kissing Shack' where random strangers make out in the dark, especially since she'd **never been kissed** before. By the time she left the shack, she definitely didn't expect to come face-to-face with the one person in the world she shouldn't have been kissing passionately inside that room: **the boy she grew up with**, Darren.

Feeling humiliated and confused, there was only one thing left to do: run. But Darren had other ideas, leading to yet another **first experience** for Jenny; **hard and without protection**.
