Book 8 of the Psychic Vision series will be here soon!

Energy. The life force of good ... and evil
And sometimes evil is stronger.

Tia spent years imprisoned in a 'special' program. When she finally escaped, she ran as far away as she could. But it wouldn't leave her alone.

Only one person can help her. Stefan. But when she contacts him for help, she gets more than she bargained for. Six weeks later, she awakens from a coma to find more problems than ever – and she's still being hunted.

Dean, moonlighting as a guard at the hospital, finds himself in an impossible situation. His belief system is stretched out of control by someone whom he can't forget ... and can't believe. Until he has no choice.

With everything on the line, Tia and Dean must work together to solve the problem that has somehow – in a very unique way – entwined them both.
