Tales from Sea Glass Inn Karis Walsh

Over the course of a year at Cannon Beach, tourists and locals alike find solace and passion at the Sea Glass Inn.

Melinda Andrews and Pamela Whitford own the Sea Glass Inn at Cannon Beach on the Oregon Coast. After an oil spill threatens their shore, Mel and Pam join members of the community as they fight to heal the beach and its inhabitants while finding creative ways to keep businesses alive until the tourist trade recovers.

In these four novellas, Pam and Mel's guests and neighbors find healing for themselves as well. From local residents, including a baker and a bookseller, to a visiting author and a Department of Fish and Wildlife Officer, these women come to the ocean in need of comfort, inspiration, and renewal. They not only discover these qualities at the inn, but they also find what they need most: love.
