Your favorite DC couples are back. After the baby shower blow-up, and the loss of her favorite cousin, Keisha is confused and angry about her life. Hearing that the love of her life got another chick pregnant may have her reverting to her old self.

Black isn't about to let her go that easy, though. Especially, when she is carrying his twins. He also has another set of problems with his plug's new woman that may cost him his life in the end.

Laniah isn't sure she wants to be with Demark after her heartbreak, and she just wants to be left alone, but Demark will do anything to prove his love to her; he will do something that she wasn't even prepared for to prove it. Their enemy, Gary, lurks in the darkness, but he will soon show himself like they've never seen him before, in this final installment of 'That Southeast Lovin'.
