The Black Widow (31 Horrifying Tales From The Dead Book 6) Drac Von Stoller

Samantha Stone never had chance to really mature into a beautiful woman because of her looks that she was born in the eyes of a man's world. Samantha's beauty was not earth shattering even though her mother said she was beautiful just the way she is. Samantha stood six feet tall with matted hair and brown eyes. It's a shame her hopes and dreams of becoming a model someday would be shattered before she fully grown up as a woman. Every man that gazed upon her was not in a respectful way. After years of disappointing relationships Samantha snapped and decided these lustful dogs would pay dearly for not treating her as any woman would want to be treated.
