According to the author: “The purpose of this work is to present practical methods through which anyone \*\*\* may realize his ideals, cause his cherished dreams to come true, and cause the visions of the soul to become tangible realities in every day life.”

And so, Larson teaches us here, as only he can do it, that we can transform our dreams in realities; that we can obtain the “ideal” life that we dream off, and that we can change our “FATE”, into one full of health, happiness and prosperity.
