Fusing the blind passion of a lifelong supporter with the cold eye of an award-winning journalist, this is an up-close and personal view of the entire modern era of Britain's most successful football club. From their first ever FA Cup win in 1965 to the Champions League defeat in Athens in 2007, this overview takes on the extraordinary stories behind the 48 trophies Liverpool has won. Highlighting the memorable nights that propelled the club to five European Cups, three UEFA Cups, 12 titles, and countless domestic cup triumphs, this account also discusses their bitter failures, the tragic disasters in Sheffield and Brussels, and the barren years of the late 60s and the 90s.
