An Inspector Calls The Graphic Novel: Original Text (Classical Comics: Original Text)

An Inspector Calls The Graphic Novel: Original Text (Classical Comics: Original Text)

"So – for God's sake – don't say anything to the inspector."

A respectable household is shocked when a strange police inspector visits them shortly after dinner... and proceeds to unravel their prejudices and lies. Through this almost surreal murder-mystery, Priestley interweaves social comment with a gripping story that twists and turns every few pages.

True to the original vision of the author and featuring beautiful engaging artwork, the book features the entire play, unabridged (in the original British English), as well as an illustrated Character List (Dramatis Personae), 132 pages of story artwork, and fascinating support material that details the life and work of J.B. Priestley - all beautifully presented in color.

An alternative text edition with simplified US dialogue is also available enabling differentiation in the classroom.
